PETITION UNDER 37 CFR 1.182

Assistant Commissioner for Patents  
Washington, D.C. 20231

RECEIVED  
JUN 19 2002  
OFFICE OF PETITIONS

Dear Sir:

In accordance with MPEP 402.10 and 37 CFR 1.182, the inventor Rozsa Kovesdi hereby petitions that the previously filed power of attorney be accepted by the Office on her behalf. A copy of this power of attorney and the required fee is enclosed herewith.

The power of attorney has not been executed by both of the named applicants. The attorney for applicant Rajasekharan has just recently informed us that a separate power of attorney will be filed on his behalf. If such papers are not timely filed by Mr. Rajasekharan, it is respectfully requested that a favorable decision be granted on the petition previously filed by Ms. Kovesdi under 37 CFR 1.47(a).

As noted in the previously filed petition and the accompanying papers, Mr. Rajasekharan has filed an application claiming priority to the same provisional application as the subject application. In that application, Mr. Rajasekharan has omitted Ms. Kovesdi as a named inventor. To adequately protect the interests of Ms. Kovesdi in the application filed by Mr. Rajasekharan
